Standard Services offered:

- Our crew is well trained, courteous, professional and legal
- We all undergo a background search
- We honor the contract and deliver the appropriate prep and paint level
- Follow the Work Order and Quality Control Checklist
- Review and respect our customers concerns and needs
- Show up..... start and finish on time
- Honor the price for the work quoted
- Clean up daily and maintain a safe work area
- Provide a 1 year warranty for paint failure

In addition

- We are one of the few Painting companies in North Jersey who are part of the PCA - “Painting Contractors of America”
- We update our skill set and safety training on a monthly basis
- These nationally recognized standards for process and procedures maintain a craftsman model rather than a “box store” style of workmanship
- Offer you a scope of work that engineers the job to meet your needs and expectations
- Willing to provide a free color consult with one of our associates for medium and large projects
